Lesson: Passive voice:

- I. Lesson: Active to passive transformation steps:
- Determine the main parts of speech in the sentence. (SVO)
 Make sure the verb is transitive. (meaning it has got an object)
- Start your passive sentence by the active object.
- Put the auxiliary "to be" in the active verb tense.
- Put the active verb in the past participle. (Be careful about the irregular verbs)
 Add the "by phrase" (by + agent/active subject) if necessary (If the active subject is ambiguous or
- not worth mentioning, don't add the by-phrase.)

 II. Rewrite the following sentences in the passive:
- People don't respect children's rights in many countries.
- Every week, they bring food supplies by helicopter to the refuges.
- Passengers mustn't use mobile phones on planes.
- 4. They launched an anti-smoking campaign to sensitize the public to the danger of tobacco.
- Scientists have made great progress in genetic studies.
- Some people consider speed as the main cause of accidents on our roads.
- 7. We should take drastic measures if we want to your city clean.
- They deported all illegal African immigrants to their home countries.
- Many people think that the United Nations Organization ought to be dismantled.
- 10. We need to integrate environmental sustainability into all our policy decisions.

11. Governments must give the youth more opportunities to participate in decision making.

The WWF Read the text quickly. the strength of the excellent answers she gave to the interview questions. You can't expect me to work the Saturday shift The final exercise contains more expressions and phrasal verbs with prepositions. B: Yeah, I'd go along with that. Introduce strong restrictions 10. Have students test each other, one says a definition, the other recalls the phrasal verb. than not, we go out for dinner on Friday night. Other changes have been made in order to fully exploit the text for more high level lexis such as phrasal verbs and fixed expressions. - take care off hate it when people look down on those who are less fortunate than them. You can create your own inverted cloze exercises from any text in your course book. question? I - reject or refuseOn a full moon he turns into a werewolf! They've turned my favourite restaurant into a werewolf! They've turned my favourite restaurant into a Burger King! - to transformDon't forget to turn/switch off the lights when you leave. - raise/educate/care for (a child)I bumped/ran into an old friend from uni in the street. So/such It was so hot that we couldn't leave the hotel -> It was such a hot day that we had to stay in the hotel. If you continue browsing the site, you agree to the use of cookies on this website. - think about and find a solution; do exercise - Quizlet set This is a worksheet for students preparing to take the C1 Advanced exam. Creating a Works Cited list using the ninth edition. MLA is a style of documentation that may be applied to many different types of writing. Since texts have become increasingly digital, and the same document may often be found in several different sources, following a set of rigid rules no longer suffices
