Java jasper report to pdf

Based on your current performance, you can choose these subjects for Grade 11 as you are Good

Based on your current performance, these subjects are only recommended if you can work hard and improve your current ability (Academics & aptitude)

Based on your current performance, it is recommended that you look at other subject areas, where your ability (Academics & aptitude) could be higher, as your ability (Academics & aptitude)

Note: These students, who have not given their academic scores will see their FIT only under the Aptitude section as only Aptitude scores have been used for the recommendation.

Disclaimer:

This assessment is an indicator which has been compiled on the basis of responses and is subject to the anxiety, mental preparedness, environmental stimulus and motivation level of the student at the time of administration of CBSE 2014. The Reliability scores, applicable to Part II is one such indicator. The scores of the student in this report are shown through graphs along the indication of how the individual student scores fare, relative to the whole student population, who have attempted the same assessment.

IMPORTANT

The CBSE SOAI is an optional activity meant for class 10th students studying in CBSE affiliated schools worldwide. This stage coincides with the adolescence period wherein, though not in a concrete form, career concept and planning also begin to somewhat evolve. It is therefore relevant to give a road map and realistic

- CBSE SOAI is an assessment of ability and interest.
- Unlike the conventional aptitude tests, the CBSE SOAI attempts to indicate academic orientations at +2 level.
- CBSE SOAI has been customized to suit the Indian context and variety of student population in CBSE affiliated Private, Government and Aided Schools.
- CBSE SOAI assessment tool has been pre-tested.
- CBSE SOAI is an optional assessment and should be taken only as an indicator.
- The purpose of CBSE SOAI is to help the larger population including parents, teachers and students to initiate a

A screenshot of the Report Designer software interface. The window title is "Report Designer (C:\)". The menu bar includes File, Edit, View, Format, Printer, Window, Tools, Help. The toolbar has icons for New, Open, Save, Print, and others. The left sidebar is titled "Report Inspector" and lists various report components like Report, Data, Parameters, Fields, etc. A central workspace shows a report structure with sections: Page Header, Column Header, Detail, Column Footer, Page Footer, and Summary. A yellow circle highlights a specific element in the Page Header section. The right sidebar is titled "Palette" and contains categories for Report Elements (e.g., Text, Chart, Image), Tools (e.g., Sort, Subreport, Tools), and Web Frameworks (e.g., Sort). The "Sort" tool is currently selected. The "Sort1" properties panel on the far right shows settings for Left (10), Top (10), Width (200), Height (30), FontColor (black), FontSize (10pt), and FontName (Times New Roman). The status bar at the bottom shows "Page 1 of 1" and "Report Designer".
